Book of the Bible Studies:

The Book of James

Francis Chan (12 Free Video Sessions + Book + Free Discussion Guide)

The Gospel of Mark chronicles Jesus's journey from Galilee to Jerusalem. Along the way, the Messiah gathers a ragged band of disciples. As crowds grow and dwindle on the road to Jerusalem, only a few stick by the Suffering Savior on the road of discipleship.

In this 11-part series on the Gospel of Mark, author and speaker Francis Chan invites us to walk with him along the ancient ways of the Master. Tracing the steps of Jesus and the Twelve through Israel, Francis explores the major themes of the Gospel of Mark, and asks: Are we willing to take this journey to embrace discipleship?

The Gospel of Mark

Francis Chan (11 Free Video Sessions + Free Discussion Guide)

True faith produces fruit. A faith without action and without life change is ultimately a dead faith. The book of James speaks to the realities of a living faith in Jesus—the kind of roll-up-your-sleeves and get-your-hands-dirty discipleship that is borne out of an authentic relationship with the risen Lord. James writes to believers who know suffering, who've faced trials, and who ultimately desire a deep relationship with God.

Francis Chan unpacks the dense truth contained in the book of James in front of the iconic backdrop of San Francisco, the city where he lives and ministers. Through 12 sessions, Francis works through James verse-by-verse, challenging followers of Christ to move beyond a private, intellectual knowledge of God and His Word, to a vibrant faith that impacts every square inch of life.

The Book of Colossians

Louie Giglio (8 Free Video Sessions + Free Discussion Guide)

What we think about Jesus matters. Our perception of Him shapes us—what we say, how we treat others, even what we think. If we paint Jesus as any less than who He is as supreme over all creation and savior of the world, not only does our theology slip, but the working out of our faith also suffers.

In this 8-session series, Louie Giglio will take us through the book of Colossians to help us form a complete picture of Jesus. What we believe about Him influences everything from our corporate worship to our relationships to our attitude toward sin. Now alive in Christ, we can live a life worthy of God instead of falling back into the ways of the world.

The Book of Phillipians

Jo Saxton (8 Free Video Sessions + Free Discussion Guide)

The life Jesus invites us into when we follow him is one of sacrifice. But does sacrificial living mean the Christian life should be riddled with sorrow? Paul answers that question in his letter to the Philippians with a resounding no. Paul, and the Philippians with him, lived joyfully in the midst of persecution, prison, and poverty.

In this eight-session series, Jo Saxton takes us through Philippians to encourage us to follow Jesus no matter what life throws at us. Through Paul's words and example, learn how joy and sacrifice can go hand-in-hand.

The Book of Ephesians

JD Greear (8 Free Video Sessions + Free Discussion Guide)

Has it ever dawned on you that nothing has ever dawned on God? He knew before the world began that His people would face hardship, so He gave us His Word. The Book of Ephesians is a survival manual—it equips believers to thrive in a world that hates the message of Jesus Christ. Paul the Apostle writes to encourage believers to live well—we've been lifted from the graveyard of sin and called to shout the gospel into the darkened world.

Pastor and author J.D. Greear walks through the powerful words of Paul. In 9 sessions, J.D. digs into the text of Ephesians verse-by-verse and challenges believers to live out the gospel. If the people of your city, of your school, of your family are going to hear the gospel, it's going to be from your mouth. Encounter Ephesians, and get swept up into the story of Jesus.

Praying with Paul: A Call to Spiritual Reformation

D.A. Carson (8 Video Sessions + Study Guide Book)

It's doubtful that there is any Christian who has not sometimes found it difficult to pray. In itself this is neither surprising nor depressing: it is not surprising, because we are still pilgrims with many lessons to learn; it is not depressing, because struggling with such matters is part of the way we learn. God doesn't demand hectic church programs and frenetic schedules; he only wants his people to know him more intimately, says author D.A. Carson. The apostle Paul found the kind of spiritual closeness in his own fellowship with the Father that is available to all of us. Praying with Paul leads group members into the Epistles to see what Paul taught in his "school of prayer." In 8 sessions, group members will be exposed to the priorities of prayer, a God-centered framework for prayer, and practices for a more meaningful and dynamic prayer life. Christians today can still achieve the confidence Paul enjoyed by following his life-shaping principles and searching for a deeper devotional experience.

The Apostles Creed

Matt Chandler (12 Video Sessions + Study Guide Book)

Take your group through an in-depth examination of the primary tenets of Christianity. The Apostles' Creed was born from the apostles' teachings. It contains essential doctrines and beliefs that summarize the gospel and the foundation of our faith. The scriptural truths contained in the creed enable us to build our Christian lives on good theology, with the knowledge that our faith is rooted in truth and a rich history.

The lines of the creed aren't mere words. They are the essence of what we confess and believe. Repeating the creed doesn't make disciples. Incantations don't transform us into better, more effective Christians. Creeds don't hold any authority apart from Scripture, but they do point outside themselves to the authoritative Word of God.

The Apostles' Creed was traditionally used as a public confession before baptism. This confession of faith, given as a recitation of the creed, was understood as an act of turning away from previous pagan beliefs and fully accepting apostolic teaching. This profession identified new believers with the community of Christians.

This group study from Matt Chandler and The Village Church leads to greater clarity of our religion, greater symmetry and balance as a disciple, and a more profound sense of belonging in the kingdom of God.

Oeness Embraced with Tony Evans

Tony Evans (6 Free Video Sessions + Book)

Black/white relations in the culture at large and in the church in particular continue to be a stain on America's respectable reputation. The church has clearly failed and must seek to function by God's kingdom perspective. In this legacy message, Tony Evans seeks to promote a biblical understanding of the kingdom foundation of oneness by detailing why we don't have it, what we need to do to get it, and what it will look like when we live it.

Fully encompassing areas of unity, history, culture, the church and social justice, Evans looks to the scriptures for the balance between righteousness and justice that is crucial for applying in this generation and in training the next. A full section on black church history provides a background and understanding that has often been neglected. Recalling experiences in his own evangelical journey, Evans shares kingdom minded approaches for biblical justice and social restoration. To better glorify God and help heal the persistent racial divide, all church members would do well to read and learn from *Oeness Embraced*.

When I Don't Desire God: How to Fight for God

John Piper (6 Free 30 min Video Sessions + Study Guide Book)

Six 30-minute sessions with John Piper instruct groups in obtaining proper affections for God so that they will fight to find their delight in Christ.

There are plenty of people who insist that the command to love God with all our heart, soul, and mind doesn't really obligate us to enjoy God above all things. "Joy and delight are emotions," they say, "and this kind of love must simply be a decision of the will, not a feeling."

Yet as John Piper teaches in this series and its companion *When I Don't Desire God Study Guide*, emotions are commanded everywhere in Scripture. They're not just instructions to think a certain way but to feel a certain way. So loving God above all else is not merely about our actions but about our hearts.

Though we don't have complete control of our emotions, eternity hangs on the presence of proper affections for God. Therefore, the fight for joy is not optional. It is essential.

The Meaning of Marriage: A Vision for Married & Single People

Tim Keller (6 DVD Sessions + Study Guide OR original Book)

Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that marriage does not mean 'til death do us part, but merely for as long as my needs are being met; and that when serious differences arise, divorce is the best solution.

According to the Bible, all of these modern-day assumptions miss what marriage is all about. In this six-session video-based Bible study (DVD/digital video sold separately), Timothy Keller, along with Kathy, his wife of forty years, draws a profound portrait of marriage from the pages of Scripture that neither idealizes nor rejects the institution but points us back to the relationship between God and man. The result is a vision for marriage that is refreshingly frank and unsentimental, yet hopeful and beautiful.
