

as the father
has loved me, so
have i loved you.
abide in my love.

JOHN 15:9

Jesus invites us to abide in Him.

Abide means to remain, stay, or reside

As you consider your relationship with Christ, how are you presently abiding and not abiding in Him?

What spiritual practice, rhythm, or new pace is Jesus inviting you into that will change the way you abide in Him? (*prayer, Bible study, community, fasting, silence and solitude, saying no, generosity, etc.*)

How will your relationship with Jesus be different this time next year if you take him up on his invitation?
