

# Making room for Jesus

As you look at your time audit, is there anything that stands out or maybe even surprises you?

What would the outcome be if you intentionally made room to abide in Jesus? What does it cost you when you don't?

## ONE-HOUR CHALLENGE

During the month of October, we're challenging each other to *repurpose one hour of each week* to intentionally abide in Christ. Consider your typical week and ask God how you can use this hour. Is there something you need to cut out of your weekly schedule in order to make room? Is there a time you could intentionally repurpose, such as your morning commute, meal time, or evening walk? It could be something you do alone, with your spouse, or with your entire family. It could be a full hour block on one day, 10 minutes each day, etc.
